*new routine for 2021

We are SO EXCITED you are here!

It has been *a year like no other*, and for the 9 girls in the pool, we hope it's been a positive spot in an otherwise crazy time. This evening, our team performs some routines slated for our 2020 show plus a few new ones.

We were just six weeks away from the end of the 2020 season when Elizabethtown College closed due to COVID-19. We kept in touch through Zoom and checked in with College staff for updates.

We are so thankful we had at least half of a season this year! With just 12 weeks of practice after a year of no pool time, the coaches were impressed with the swimmers' memories, work ethic, and positive attitudes.

A few short notes:

For those in the pool area, please keep masks on and socially distance from other groups.

We are recording the show (we'll share the link as soon as it is available). You are welcome to Face-Time or record routines on your own but please keep your phone muted so their audio does not bother other parents or impact the recording. Thanks.

To allow our swimmers the chance to catch their breath and prepare for their next routine, we will have short breaks throughout our showcase.

ENJOY!!

Madison Shultz is a 4th grader at Hershey Elementary School. She enjoys rock climbing, watching anime, playing video games, but most of all cats! This is her 2nd year with the team and she has truly enjoyed it. She would like to thank her Coaches for gifting her the love of synchro!

Mildred Koishal is a 7th grader at Greenwood Middle/High School. In her spare time, she participates in field hockey and going to youth group. She would like to thank her coaches for all their help. She would like to thank her parents for driving so far for her to participate in synchro swimming.

Ashley Jilek is in 8th grade at Lower Dauphin Middle School. She enjoys dancing, playing the clarinet and Girl Scouts. This is her 5th year with the team. She enjoys every moment with this kind, funny and growing family. She thanks the Coaches for their support and encouragement through this different season/year.

Hazel Tilder is 14, likes drawing, and riding bikes. She plays piano, and just started drums which she loves! She enjoys fantasy in graphic novel form, and also plays D&D whenever she can! She thanks the coaches for bringing the team together and hopes that every season will be better than the last!

Lydia McMullen is a Freshman at Hershey High School and in her 5th year with the team. Lydia swims for Hershey High School and Keystone Aquatics Club. She is a kicker/punter for the High School Football Team. Lydia would like to thank the Coaches for always being positive and pushing forward to have a season and show during this crazy year!

Tori Steinly is a 10th grader at Lower Dauphin High School. She enjoys singing, playing the piano, camping with her family, lifeguarding, and going to the beach. She wants to give a special thanks to her family, friends, and coaches for supporting her through the season. Thank you!!!

Sadhika Osborne is 16 years old and is in 9th grade at Cedar Crest High School. She is originally from India, but has been in the US for 9 years. She has been a Coralette for 8 years. She is a cheerleader and gymnastics coach. She especially likes Synchro because she loves music and spending time with her mother, Coach Darcie.

Coach Darcie Osborne is a former Coralette and has been coaching since 2006. She feels blessed to get to know all of these amazing girls each year and especially to spend some synchro time with her daughter Sadhika. Thank you to the coaches for being much more than swimming partners and to all of the Coralettes for their hard work and dedication. Break a fin!

Coach Lauren Hetrick was a six-year Coralette and has been coaching since 2005. She has also coached for the Cumberland Valley Spiralettes Synchro Team for 12 seasons! She is a Social Studies teacher at Big Spring High School. She would like to congratulate the team on working hard for their abbreviated season. She is so thankful for her synchro family!

Coach Charity Ridge is a Coralette alumna who swam with the team for 9 years. She's enjoyed being back for her fifth year of coaching. Charity is the Client Relations Manager for Golf Business Network, and likes to spend time with her husband, George, her 7 month old daughter, Ember, and their rescue dogs, Maya and Duke. She'd like to congratulate each swimmer for their hard work, perseverance, and flexibility this season!

Coach Kim Herb swam at Penn State University and has coached the Coralettes since 1994 (except for a few years in the mid 2000s) including two of the 3 other coaches ;) She loved sharing synchro with her daughter, who was a 9-year Coralette. She owns her own elearning design business, Spectrum eLearning. She thanks the other three coaches for their collaboration, teamwork and support.

Senior Spotlight

Brianna Risser is a senior at Lower Dauphin, and in her 9th year on the team. She enjoys cross country, track and field, skiing, and going to youth group events. This year Anna was chosen to be Co-Captain of Cross-Country and Track & Field Captain. Anna will graduate high school with honors, including National Honors Society and National

English Honors Society. Next year Brianna will be attending Penn State, University Park to pursue a degree in Biomedical Engineering with hopes of being able to create prosthetic limbs one day. She would like to thank all of her coaches for the significant amount of time they invested in her synchro career.

Benelli Risser is in her eighth year of doing synchro and is a senior at Lower Dauphin High School. She also enjoys a variety of sports, such as cross country and track and field. This June she will graduate with honors, including National Honors Society, National German Honors Society and National English Honors Society. She would like to thank her family and coaches for all their support and dedication. In the fall, Elli is planning on attending Penn State University Park to pursue a degree in Food Science.

THANK YOU!!!

...to the parents who have dealt with changes in work, changes in school schedules, and managing the “new normal” – thanks for adding synchro back into your crazy lives 😊

Thanks for trusting us with your kids once again, especially during this weird moment in time.

...to the swimmers for jumping back in that pool and showing us you love our sport!

You are ROCK STARS!!!! 😎

You have been so enthusiastic and worked so hard to make this happen.

Your coaches are proud. 😊

Many thanks to the Elizabethtown College staff who have made us feel welcome and worked with us to get back in the pool this year.

*If you enjoyed what you saw this evening, be sure to watch Artistic Swimming at this year's **Summer Olympics** in Tokyo from July 23 - August 8.
